Sir:

On September 27, 2004, Examiner Mayekar telephoned Applicants' representative Michael C. Barrett. The Examiner asked for clarification of the Response and Amendment that was mailed September 13, 2004. Applicants' representative summarized the arguments presented in that response and asked to call the Examiner back so that the file could be located and reviewed in more detail.

The following day, September 28, 2004, Applicants' representative telephoned the Examiner to further summarize the arguments presented in the response. The Taylor reference was discussed in particular, and Applicants' representative explained why that reference did not disclose or suggest elements of the pending claims, even in combination with the Ebi reference.
